17. THE INSTRUCTIONS FOR SHAREHOLDERS VOTING ELECTRONICALLY ARE AS UNDER:

- Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency.
- The Notice calling the AGM along with Annual Report has been uploaded on the website of the Company at www.gujaratinvesta.com. The Annual Report can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility) i.e. www.evotingindia.com.

Members whose names are recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the Cut-off date i.e. **Friday, September 23, 2022**, shall be entitled to avail the facility of remote e-Voting as well as Vote at the AGM. Any recipient of the Notice, who has no voting rights as on the Cut-off date, shall treat this Notice as intimation only.

A person who has acquired the shares and has become a member of the Company after the dispatch of the Notice of the AGM and prior to the Cut-off date i.e. **September 23, 2022**, shall be entitled to exercise his/her vote either electronically i.e. remote e-Voting or at AGM.

The remote e-Voting will commence on Tuesday, September 27, 2022 at 9.00 a.m. and will end on Thursday, September 29, 2022 at 5.00 p.m. During this period, the Members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date, may cast their vote electronically. The e-Voting module shall be disabled by CDSL for voting thereafter. Once the vote on the resolution is cast by the Member, he/she shall not be allowed to change it subsequently or cast vote again.

The Members who have cast their vote by remote e-voting prior to the Meeting may also attend the Meeting but shall not be entitled to cast their vote again.

The Company has appointed CS Mr. Umesh Ved, Practicing Company Secretary (Membership No. FCS: 4411; CP No: 2924), to act as the Scrutinizer for conducting the remote e-Voting process as well as the e-Voting on the date of the AGM, in a fair and transparent manner.

Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242** dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

In terms of SEBI circular no. **SEBI/HO/CFD/CMD/CIR/P/2020/242** dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their Demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting **for Individual shareholders holding securities in Demat mode** is given below:

In accordance with the criteria suggested by The Nomination and Remuneration Committee, the Board of Directors evaluated the performance of the Board, having regard to various criteria such as Board composition, Board processes, Board dynamics etc. The Independent Directors, at their separate meetings, also evaluated the performance of the Board as a whole based on various criteria. The Board and the Independent Directors were of the unanimous view that performance of the Board of Directors as a whole was satisfactory.

Committees of the Board:

The performance of the Audit Committee, the Nomination and Remuneration Committee was evaluated by the Board having regard to various criteria such as committee composition, committee, processes, committee dynamics etc. The Board was of the unanimous view that all the committees were performing their functions satisfactorily and according to the mandate prescribed by the Board under the regulatory requirements including the provisions of the Act, the Rules framed thereunder and the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulation, 2015.

Individual Directors:

- (a) Independent Directors: In accordance with the criteria suggested by The Nomination and Remuneration Committee, the performance of each independent director was evaluated by the entire Board of Directors (excluding the director being evaluated) on various parameters like engagement, leadership, analysis, decision making, communication, governance and interest of stakeholders. The Board was of the unanimous view that each independent director was a reputed professional and brought his/her rich experience to the deliberations of the Board. The Board also appreciated

the contribution made by all the independent directors in guiding the management in achieving higher growth and concluded that continuance of each independent director on the Board will be in the interest of the Company.

- (b) Non-Independent Directors: The performance of each of the non-independent directors was evaluated by the Independent Directors at their separate meeting. Further, their performance was also evaluated by the Board of Directors. The various criteria considered for the purpose of evaluation included leadership, engagement, transparency, analysis, decision making, functional knowledge, governance and interest of stakeholders. The Independent Directors and the Board were of the unanimous view that each of the non-independent directors was providing good business and people leadership.

MATERIAL CHANGES AND COMMITMENTS IF ANY AFTER BALANCESHEET DATE:

There are no material changes and commitments, if any, which may have adverse effect on the operations of the Company.

VIGIL MECHANISM

The Company has established a vigil mechanism and accordingly framed a Whistle Blower Policy. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Your Directors have pleasure in presenting the management discussion and analysis report for the year ended on March 31, 2022.

GLOBAL ECONOMIC OUTLOOK

As per report of United Nations, Global economic recovery hinges on a delicate balance amid new waves of COVID-19 infections, persistent labour market challenges, lingering supply-chain constraints and rising inflationary pressures. After a global contraction of 3.4 per cent in 2020 and following an expansion of 5.5 per cent in 2021, the highest rate of growth in more than four decades, the world economy is projected to grow by 4 per cent in 2022 and 3.5 per cent in 2023. World gross product in 2021 was 1.9 per cent higher than in 2019 but still 3.3 per cent below the level of output projected prior to the pandemic. These aggregate growth figures, however, mask marked divergences in the pace of recovery across countries and regions.

Global recovery in output in 2021 was largely driven by robust consumer spending and some uptake in investment. Trade in goods bounced back, surpassing the pre-pandemic level. But growth momentum slowed considerably by the end of 2021 including in big economies like China, the European Union and the United States of America, as the effects of fiscal and monetary stimuli dissipated and major supply-chain disruptions emerged. Growth impetus generally has been weaker in most developing countries and economies in transition. While higher commodity prices have helped commodity-exporting countries at large, rising food and energy prices have triggered rapid inflation, particularly in the Commonwealth of Independent States (CIS) and Latin America and the Caribbean.

The effects of the Ukraine crisis on developed and developing countries are substantial, especially at a time when these economies are just beginning to recover from the COVID-19 crisis. Most CIS countries, especially members of the Eurasian Economic Union are strongly exposed to the Russian economy through trade and finance flows. The conflict has accelerated the upward trend in oil and natural gas prices, along with the prices of metals and other commodities. Prices of agricultural commodities and base metals, such as aluminium, copper, ergo, steel, cobalt, nickel, palladium, and titanium, have also spiked. If those prices increase remains elevated, industrial sectors, in particular, heavy engineering, automotive and electronics, will be hit hard across the globe.

Higher prices of oil and natural gas have also driven up the price of coal. The combination of output shocks to Russia, Ukraine and other CIS countries with a sustained energy price shock could reduce global output by around 0.8 per cent in 2022, according to UN DESA estimates. Many European economies may face a severe economic slowdown in 2022.

INDIAN ECONOMY

India's GDP is estimated to grow at 7.4 per cent in the financial year 2022-23 with rising prices triggered by the RussiaUkraine conflict posing as the biggest challenge to the global economic recovery, as per Ficci's Economic Outlook Survey conducted in March 2022. According to the survey, the Reserve Bank of India (RBI) is likely to start a rate hike cycle in the second half of 2022, while a repo rate hike of 50-75 bps is expected by the end of the current fiscal. By this time, RBI has already hiked the repo rates twice.

"The latest round of Ficci's Economic Outlook Survey puts forth an annual median GDP growth forecast for 2022-23 at 7.4 per cent with a minimum and maximum growth estimate of 6 per cent and 7.8 per cent respectively," the industry body said.

The median growth forecast for agriculture and allied activities has been put at 3.3 per cent for 2022-23. Industry and services sectors are estimated to grow by 5.9 per cent and 8.5 per cent, respectively. However, it said, the downside risks to growth remains escalated.

While the threat from the COVID-19 pandemic is still looming, the continuation of Russia-Ukraine conflict is posing a significant challenge to global recovery, the survey said.

Rising international commodity prices is the biggest risk emanating from the ongoing conflict as Russia and Ukraine are global suppliers of key commodities, it said. The conflict, if continues for a longer period, will further hit supplies of major raw materials, including crude oil, natural gas, food, fertilizers, and metals, it added.

The economists who participated in the survey have also opined that the global inflation is likely to peak out in the first half of 2022 and moderate thereafter.

With India being a net importer to meet its energy requirements, the sharp rise in crude prices represents a significant shock to India's macro-economic framework. Moreover, the impact on economy is expected to be more serious if the conflict prolongs, the survey said.

INDUSTRY OVERVIEW

NBFCs have become important constituents of the financial sector and have been recording higher credit growth than scheduled commercial banks (SCBs) over the past few years. NBFCs are leveraging their superior understanding of regional dynamics and customised products and services to expedite financial inclusion in India. Lower transaction costs, quick decision making, customer orientation and prompt service standards have typically differentiated NBFCs from banks. Considering the reach and expanse of NBFCs, they are well-suited to bridge the financing gap in a large country like India. Systemically Important NBFCs have demonstrated agility, innovation, and frugality to provide formal financial services to millions of Indians.

India has a diversified financial sector consisting of commercial banks, insurance companies, non-banking financial companies, housing finance companies, cooperatives, pension funds, mutual funds, and other smaller financial entities. The financial services industry plays an important role in ensuring the efficiency of capital allocation and driving high-return investments. In addition, the industry plays an important role in enabling more people to have access to capital. Financial inclusion driven by RBI has expanded the target market to semiurban and rural areas. NBFCs especially those catering to the urban and rural poor namely NBFC-MFIs and Asset Finance Companies have a complementary role in the financial inclusion agenda of the country. The financial services sector is expected to rapidly grow this decade driven by rising incomes and heightened government focus on financial inclusion and digital adoption – India's digital payments could pass \$1 trillion by 2030.

Given the systemic risks that the sector poses, the RBI issued 'Scale Based Regulation (SBR): A Revised Regulatory Framework for NBFCs' on 22 October 2021 to make the financial sector sound and resilient while allowing a majority of NBFCs to continue under the regulation-light structure. The objective behind this scalebased approach is the principle of proportionality for regulating the non-banking financial companies. The purpose is to calibrate the degree of regulatory prescriptions based on the systemic importance of NBFCs and the contagion risk they pose to other entities in the financial system.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

During the year under review, the Company has incurred Profit after tax of Rs. 3.13 Lakhs as compared to the profit after tax of Rs. 2.86 Lakh earned during the previous financial year 2020-21. The Directors are hopeful that company will do better during the current Financial Year.

BRIEF:

There is stiff competition amongst major NBFC companies as of today, the company has managed to maintain its profitability, which is due to timely adoption of prudent business strategies, measures taken to reduce cost of funds and cost of operations, improved fund management and effective steps taken to maintain the level of the company. The company has also strengthened its financial position.

OPPORTUNITIES & THREATS:

The Government is committed to encourage the healthy growth of Capital Market for development of the Economy. While the government seems committed to reforms to address the challenges, political compromises and high populist spending in an election year will mean that tough decisions are more likely to be deferred. However, steps by RBI to stabilize the exchange rate by reducing liquidity support to the banking system will create a challenging environment for investments

SEGMENT-WISE PERFORMANCE:

The company has primary segments for revenue generation in finance.

OUTLOOK

The Company continues to explore the possibilities of expansion and will make the necessary investments when attractive opportunities arise. The company remains confident of the long term growth prospects & opportunities ahead of it in its business.

RISK & CONCERNS

Effective risk management is central to ensuring a robust and healthy finance for the Company. The Company is exposed to specific risks that are particular to its business, including interest rate volatility, economic cycle, market risk and credit

risk. The management continuously assesses the risks and monitors the business and risk management policies to minimize the risk.

INTERNAL CONTROL SYSTEMS & THEIR ADEQUEACY

The Company has in place, adequate internal control systems commensurate with the nature and volume of its business. Efficient maintenance of accounts is facilitated by the executives and employees of the Company. Thereafter, the same is audited periodically by the Internal Auditors. The scope of internal audit is well defined and is very exhaustive to take care of all crucial functions and business of the Company. Based on their report, steps are taken at regular intervals to further strengthen the existing systems and procedures. Their significant observations are discussed in the Audit Committee Meetings regularly. Besides, as mandated under Companies Act, 2013, the Statutory Auditors have certified as part of their Audit Report, the effectiveness of Internal Financial Control over financial reporting.

The Directors have appointed M/s. Kamal M. Shah & Co, Chartered Accountants as the Internal Auditors of the Company for the Financial Year 2022-23.

HUMAN RESOURCE DEVELOPMENT

Human resources have always remained one of the most important assets and a key variable in achieving operational performance. Company continues to provide them with a safe and comfortable working environment. During the difficult pandemic times, the company has taken numerous precautions to protect its staff and workers. The Company believes that the human resources are vital in giving the Company a Competitive edge in the current business environment. The Company's philosophy is to provide congenial work environment, performance oriented work culture, knowledge acquisition / dissemination, creativity and responsibility. While selecting the training programme, the Company lays emphasis on development of skill and knowledge of its executives in the new vistas of Finance and Information Technology, besides developing the leadership and managerial skills for the future.

The Company continues to run an in-house training program held at regular intervals and aimed at updating their knowledge about issues.

ACCOUNTING TREATMENTS

During the under review, all the accounting treatments are done as per the prescribed sections and IND AS applicable to the company.

CAUTIONERY STATEMENT

Statements in the Management discussion and analysis describing the company's objectives, projections, estimates and expectations may be "forward looking statements" within the meaning of applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the company's operations include economic conditions affecting demand/supply and prices, conditions in the domestic and overseas markets in which the company operates/ going to operate, changes in government regulations, tax laws and other statutes and other incidental factors.

Independent Auditors report

To the members of
Gujarat Investa Limited

Opinion

We have audited the accompanying financial statements of Gujarat Investa Limited (“the Company”) which comprise the Balance Sheet as at 31st March, 2022 the Statement of Profit & Loss for the year ended on that date, Statement of Change in Equity and the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information which we have signed under reference to this report.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended (IND AS) and other accounting principles generally accepted in India, of the State of Affairs of the Company as at 31st March, 2022, the Profit and Loss, Change in Equity and its Cash Flows for the year ended on that date.

Basis of Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are Independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the Independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, we do not provide separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Management’s Responsibility for the Financial Statements

The Company’s Board of Directors and the management is responsible for the matters stated in Section 134(5) of the Companies Act, 2013, with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operation, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the company’s financial reporting process.

Auditor’s Responsibility for the Audit of The Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- i) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii) Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstance. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate Internal financial controls system in place and the operating effectiveness of such control.
- iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosure made by management.
- iv) Conclude the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to related disclosures in the financial statements or, If such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- v) Evaluate the overall presentation, structure and content of the

Financial Statements, including the disclosures and whether the financial statements represent the underlying transaction and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statement that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion, proper Books of Account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss, Statement of Change of Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the Books of Account;

ANNEXURE “B” to the Auditors’ Report

The members of
Gujarat Investa Limited

Report on the Internal Financial Controls under Clause (i) of Sub Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Gujarat Investa Limited (the Company) as at 31st March, 2022 in conjunction with our audit of financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s Internal Financial Control over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the Guidance Note) and the Standard on Auditing deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable

assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of Internal Financial Control over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statement for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the Company are being made only in accordance with authorizations of the Management and directors of the company and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of Company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of change in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2022**1. GENERAL INFORMATION**

GUJARAT INVESTA LIMITED (“the Company”) incorporated in 1993 in India. The Company is a registered non-banking finance Company engaged in the business of providing finance. The Company is registered with the Reserve Bank of India as Non-Banking Finance Company (NBFC).

2. BASIS OF PREPARATION

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. Pursuant to section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules 2014 The ministry of Corporate Affairs (MCA) has notified Companies (Accounting Standards) Amendment Rules, 2016 vide its notification dated 30th March, 2016. The said notification is applicable to accounting period commencing on or after the date of notification i.e 1st April, 2016.

All assets and liabilities have been classified as current or noncurrent as per the Company’s normal operating cycle and other criteria set out in the Schedule II to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets and liabilities.

A) System of Accounting

- (i) The Company follows the mercantile system of accounting and recognises income and expenditure on an accrual basis except in case of significant uncertainties.
- (ii) Financial Statements are based on historical cost. These costs are not adjusted to reflect the impact of changing value in the purchasing power of money.
- (iii) The preparation of financial statements in conformity with generally accepted accounting principles requires managements to make estimates and assumption that affect the reported amounts of assets, liabilities, revenue and expenses and disclosure of contingent liabilities as on date of financial statement. The estimates and assumption used in the accompanying financial statements are based upon management’s evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

INFLATION

Assets and liabilities are recorded at historical cost to the Company (except so far as they relate to (a) revaluation of fixed assets and providing for depreciation on revalued amounts and (b) items covered under “Accounting Standard (AS) – 30” on Financial Instruments; Recognition and Measurement” which have been measured at their fair value). These costs are not adjusted to reflect the changing value in the purchasing power of money.

B) FIXED ASSETS AND DEPRECIATION**Tangible Assets**

Fixed assets are stated at their original cost of acquisition less accumulated depreciation and impairment losses. Cost comprises of all costs incurred to bring the asses to their location and working condition.

Till 1st April, 2014, Depreciation on Fixed Assets was provided on pro rate basis for the period of use on straight line method (SLM) as per rates specified in the Schedule XIV of the Companies Act, 1956.

Effective from 1st April, 2014, the Company depreciates its fixed assets over useful life in the manner prescribed in Schedule II of the Companies Act, 2013.

(C) INVESTMENTS

Investments are classified as Long Term Investments and Current Investments. Long Term Investments are stated at cost less permanent diminution in value, if any. Current Investments are stated at lower of cost and net realizable value.

Notes:

The Company evaluates impairment losses on the fixed assets whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. If such assets are considered to be impaired, the impairment loss is then recognised for the amount by which the carrying amount of the assets exceeds its recoverable amount, which is the higher of an asset's net selling price and value in use. For the purpose of assessing impairment, assets are grouped at the smallest level for which there are separately identifiable cash flows.

The Management has reviewed the recoverability of the assets and has concluded that no indication of impairment exists and hence, no impairment of asset is required.
